Welcome to Your New Beauty Obsession!

Hey gorgeous!

I'm Sharon — a total beauty junkie who has spent way too much time (and money) testing Amazon products so you don't have to.

In this guide you'll find the ****50 Amazon beauty items under \$30**** that went absolutely viral in 2025 and are still selling out in 2026. These are the ones I reach for daily, the ones my friends steal from my bathroom, and the ones that have hundreds of thousands of 5-star reviews for a reason.

Every product is:

- Available on Amazon right now
- Under \$30 (most under \$20!)
- Personally tested or obsessively researched by me
